_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

What does the internship pay? _____________________________________________

Paid internships are strongly preferred.
Unpaid internships with for-profit companies are almost never approved for course credit. Even
for nonprofits we strongly encourage paid internships. Consider this. If the value of your work
is “free,” how will you be able to make a living in this profession?
