Please attach your resume detailing all previous work experience, including your spring or summer accounting internship experience(s). If you have accepted an accounting internship offer but have yet to complete your internship, please update your resume to include, at a minimum, the following information: name of firm, firm location, type of internship (i.e. audit, tax, etc.), and timing of internship.

Please attach a copy of your statement of purpose detailing your reasons for pursuing a graduate degree at Auburn and your career aspirations upon graduation from the Auburn MAcc Program.

My signature below affirms that all facts set forth in this application are accurate to the best of my knowledge and belief.
