Refer to the AU Bulletin at bulletin.auburn.edu for course descriptions, frequencies, and pre-requisite information. Students may have no more than 4 hours of PHED course work and may not repeat a course in which a grade of ‘C’ or better was earned unless a course is listed as ‘repeatable’ in the AU Bulletin.

Course numbers ending in ‘3’ are designated as online courses, and course numbers ending in ‘7’ are designated as Honors College courses.

Students entering AU with AP/IB or dual enrollment credit may be eligible for other course options that are not checked. Eligibility to enroll in other course options is dependent on pre-requisites.

Students may declare their intended business major after earning 30+ total credit hours. Incoming freshmen entering with 30+ AP/IB/dual enrollment credit hours must complete their 1st Fall term at AU before declaring a major.
