The Alan F. Wohlstetter Scholarship Fund (AFWSF) would like to invite students to apply to the Alan F. Wohlstetter Scholarship. Each year (AFWSF) awards 10 $5,000 scholarships to students pursuing a degree in the moving, relocation, forwarding and logistics industry or a related field.

Funding for the scholarships comes almost exclusively from generous members of the International Association of Movers (IAM), who support AFWSF through company sponsorships and individual contributions.

The scholarship is open to:
- Students who are not currently affiliated with IAM but are enrolled in college or university pursuing a degree in the moving, relocation, forwarding and logistics industry or a related field.
- Employees of IAM member companies and their dependents who are enrolled in college or university pursuing a degree in the moving, relocation, forwarding and logistics industry or a related field.

Deadline for all submissions is May 1, 2016.

To apply, students must complete the following two steps:
1. Review the eligibility and requirements.

2. Complete an application.
